Dear Representor,

Examination of the Telford and Wrekin Local Plan Review

I am writing to you because you have made representations concerning the Telford and Wrekin Local Plan Review published by Telford and Wrekin Council under Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended).

I have been appointed as the independent Programme Officer to assist the Inspectors with all administrative aspects of the examination and my contact details are set out below. Outside of the hearing sessions which form part of the examination, the Inspectors do not have direct contact with either the Council or Representors. Therefore, all communications with the Inspectors will need to take place through me.

The Secretary of State has appointed Inspectors M Worden (BA (Hons), Dip, TP, MRTPI) and C Carpenter (BA, MA, MRTPI) to carry out the independent examination of the Plan. The Inspectors will determine whether it has been prepared in accordance with the relevant legal requirements and whether it is 'sound' i.e. positively prepared, justified, effective and consistent with national policy.

The Inspectors are currently appraising the Plan, the associated evidence and the representations submitted at the Regulation 19 stage, and I will be in contact again when I am able to provide further information on the examination process, including the timing of any hearing sessions. This might not be for a number of weeks.

All information concerning the examination will be made available on the examination website which can be accessed via the following link:

It is advised that representors keep themselves informed with the examination by regularly checking the examination website. The Latest News will be updated with major examination updates and can be accessed through the following link:

Documents will be added to the Post Submission Documents sections of the Examination Library page throughout the examination. These documents can be viewed [here](#).

At the top of this email, you'll find some of the details I hold relating to your Regulation 19 representation(s). If any of this information is incorrect, please let me know so I can update my records.

If your contact details change, please ensure that you inform me directly of these changes in order to receive correspondence, as directed by the Inspectors, throughout the examination.

I am your point of contact throughout the examination process, and if you have any queries, please do not hesitate to contact me. However, if you would prefer not to receive any further information on the examination, please let me know and I will remove your details from the notification list.

Yours faithfully,

Kerry Trueman
